

## DIGITAL HIPPIE

### DJ Profile:

Digital Hippie (Savitha Bala) started her DJing career in 2008. After spending over 10 seasons in the Goa trance scene and traveling to music festivals all over, including Antaris, Boom, Sonica, and O.Z.O.R.A., Digital Hippie was born.

Getting her first break at L' Scorpion in Hollywood, Digital Hippie has never looked back. Spinning her unique style of electronic music which has proven to be a dance floor hit, this versatile DJ draws from the genres of progressive trance and psychedelic. Although she hails from San Francisco, Digital Hippie is a citizen of the world. In 2010 alone, Digital Hippie has shared the stage with artists such as Liquid Soul, Emok/Maelstrom, Celli/Earthling, Domino, Ma Faiza, and many others.

Digital Hippie is part of FriedBeats Music based in Los Angeles, CA.
